BLACK GOLD SHOOTOUT 2016

The Karnes City Rotary Club and the Lonesome Dove Fest coordinators would like to invite your company to join the fun at our annual BLACK GOLD SHOOTOUT by fielding a team of your best wing shooters to show off their skills.

The competition to see which company can claim the "TOP GUN" title is scheduled for Thursday Sep. 22nd and is the kickoff event for the 24th annual Lonesome Dove Fest that will be held Friday and Saturday, Sep. 23rd & 24th.

We will begin the day with the first flight of teams at 10:00 am. Complimentary lunch begins at 11:30 am. Auction and Raffle items will be available. If your company would like to donate items for the auction or raffle, please contact me at the number below.

This year's shootout will offer two divisions, A & B. The "A" division will compete for the traveling trophy. The "B" division will be for those who want to shoot for fun but not compete with the "A" class shooters. Both divisions will have prizes and awards. Each five-member team will compete on a 60-target sporting clay course on the grounds of the Karnes County Youth Show Barn. Cold drinks (non-alcoholic) will be provided along the course. (Note: No alcoholic beverages allowed before or during the shooting event)

In addition, we will be conducting some other interesting shooter games. Not only will the winners have a chance at picking up some extra cash, they will also be able to earn the respect and admiration of their fellow Black Gold competitors. Bring along your tight chokes, heavy dove loads and a keen eye!

After the shooting is completed, ice cold beer and snacks will be available in our tent where competitors can swap tall tales and compare scores before prizes and awards are presented.

We look forward to having you join us for some fun and to help raise funds for our local community. Come hungry and prepared to shoot some clays!
