BLACK GOLD SHOOT-OUT September 12, 2019

**Lonesome
Dove Fest
Black Gold
Shoot-out**

The Black Gold Shoot-out Committee is pleased to invite you to be a part of our annual event which takes place on Thursday (Sep 12) before Lonesome Dove Fest (Sep 13-14), and the opening of the South Zone dove season (Sep 14)

Lonesome Dove Fest is in its 26th year and features many events. Youth Day on Friday brings in more than 300 area high school students to experience the outdoors through nearly a dozen seminars and hands-on activities. Events scheduled for Friday afternoon and all day Saturday will include sporting clays competitions, family-oriented displays, vendors, live music, food booths, and much more.

All funds raised from the festival are used for the Karnes City Rotary Club scholarship program that benefits local high school students and for community service projects and organizations throughout the year.

Black Gold Shoot-out began a few years ago as a way to bring shooters from Eagle Ford outfield companies together with local shooters to get to know each other and promote goodwill in the community. Proceeds also benefit Rotary Club scholarship/community service projects. The competition is to see which company can claim the "TOP GUN" title. The event which is held on the grounds of the Karnes County Youth Show Barn includes:

- Four member teams
- 10 station 100-target sporting clay course with awards for winners
- Extra shooting games such as 30 bird flush with cash prizes
- Door prizes, raffle items
- Complimentary lunch
- Water stations along the course
- Adult beverages complimentary (only after the shooting).

We look forward to having you join us as sponsors of this fun and worthwhile event. Please review the attached Sponsorship Level information and feel free to contact our sponsorship committee for further information.

Sincerely,

Charles Thompson, Chairman Black Gold Shoot-out 830-620-8815
